

RITISH DAS

Full Stack Web Developer

+91-78287-67035 ritishdas116@outlook.com github.com/ritishDas linkedin.com/in/ritish-das-979536277 Portfolio: ritishdas.github.io

Nagpur, India

EXPERIENCE

Full Stack Developer Intern

Altraverse <https://www.altraverse.in/>

May 2026 Ongoing Nagpur

- Contributed to **full-stack feature implementation**, ensuring code quality through **peer reviews**.

PROJECTS

eSelekt: Open Elective Selection Platform <https://github.com/ritishDas/OEFrontend> <https://kdkce.eselekt.org>

- Worked as a **Frontend Developer** to build and maintain an open elective subject selection platform used by **over 400 students**.
- Engineered **responsive UI components** specifically optimized to handle **heavy traffic** during **first-come, first-served** selection windows.
- Improved overall platform usability, layout responsiveness, and **frontend performance metrics**.

TypeScript Nextjs CSS3 HTML5

Gardener: A Mini Web Framework <https://github.com/ritishDas/gardener> <https://www.npmjs.com/package/create-gardener>

- Architected a lightweight **full-stack web framework** using Node.js, Express, and EJS, published as an open-source **npm package** with **CLI support**.
- Implemented **Server-Side Rendering (SSR)**, **Static Site Generation (SSG)**, and a custom **component-based architecture**.
- Engineered a novel **JSON-driven DOM rendering system** powered by efficient **recursive algorithms**.
- Integrated modern development features including **hot reloading**, **automated image optimization**, reusable templates, and **esbuild bundling**.

TypeScript Node.js Express EJS esbuild

Shelflife <https://github.com/ritishDas/shelflife> <https://shelflife-494518.web.app/>

- Built a **full-stack inventory management system** enabling roommates to track and share **real-time** food supply data.
- Automated **product expiration tracking** and consumer alerts utilizing **Google Cloud Scheduler** and **Cloud Run**.
- Designed and implemented **gamified UI mechanisms** that effectively drove a reduction in household food waste.

TypeScript MongoDB Express React Node.js Google Cloud Run Google Cloud Scheduler

Peerlink <https://github.com/ritishDas/peerlink>

- Developed a **real-time, peer-to-peer screen sharing** and video calling application using **WebRTC**.
- Enabled seamless, **browser-based video calls** and friend-list management without requiring external plugins or installations.

TypeScript MongoDB Express React Node.js Firebase WebRTC

Pushpraj Lifestyle <https://github.com/ritishDas/pushpraj-collection> <https://pushprajlifestyle.in>

- Designed and deployed a full-scale **e-commerce storefront** featuring **dynamic product catalogs**, advanced filtering, and **secure payment processing**.
- Integrated **Firebase Authentication** and **Google Cloud Storage** to manage secure user sessions and media assets.
- Deployed the production application on **Google Cloud Run** to ensure **containerized scalability**.

TypeScript Next.js Google Cloud Firebase

SKILLS

- Languages:** TypeScript, Javascript
- Backend:** Express, RestAPI, WebSockets, SQL, NOSQL, Vector Db
- Frontend:** React, Next, WebRTC
- System:** Linux, Networking, Docker, Google Cloud, Redis, Kafka, Kubernetes

ACHIEVEMENTS

LeetCode Profile

Achieved a **1400+ rating** on [LeetCode](#) with **270+ questions** successfully solved.

Open Source Contribution

Contributed to opensource repository freecodecamp where i participated in naomi's sprint, my merged prs are [#68849](#), [#68961](#).

1st Prize – Code Combat

Won an inter-college competitive programming contest focused on **data structures and algorithms** at Rasoni Institute of Engineering.

1st Prize – Techsphere

Secured first place in a multi-round competition including **technical quiz**, **debugging**, and **technical interviews** organized by the KDKCE Coding Club.

2nd Prize – CodeFiesta

Achieved second place in an inter-college competition involving quizzes, **pseudocode**, and **problem-solving** at KDKCE, Nagpur.

EDUCATION

B.Tech in Computer Science And Engineering

KDK College of Engineering

7.5 cgpa 2022 - 2026 Nagpur, Maharashtra
